## Amcor Internship Summer 2026 Oppurtunity For Recents Graduates

### Description

Nestled in the heart of Zurich, a city renowned for its precision and innovation, lies Amcor, a global leader in packaging solutions. With a heritage spanning decades, Amcor's presence in Zurich embodies a fusion of tradition and cutting-edge technology. Here, we delve into the enchanting world of Amcor in Zurich, where innovation knows no bounds.

### Responsibilities

1. **Eco-conscious Packaging:** Designing packaging solutions that are not just functional but also environmentally friendly, contributing to a greener planet.
2. **Client Collaboration:** Collaborating closely with global clients to understand their unique packaging needs and delivering tailor-made solutions.
3. **Research and Development:** Being at the forefront of technological advancements in packaging, exploring new materials and techniques.
4. **Quality Assurance:** Ensuring that Amcor's commitment to quality is upheld in every product, maintaining our reputation for excellence.

### Qualifications

1. **Educational Background:** A bachelor's or master's degree in packaging engineering, materials science, or a related field.
2. **Analytical Thinking:** The ability to analyze complex problems and devise creative packaging solutions.
3. **Innovation Drive:** A passion for innovation and a curiosity to explore new frontiers in packaging.
4. **Team Player:** Excellent communication skills and the ability to collaborate effectively within a diverse team.

### Experience

While experience is valuable, Amcor Zurich is open to both seasoned professionals and fresh graduates. What matters most is your passion for sustainability and innovation.

### Skills

1. **Design Proficiency:** Mastery in packaging design software and an eye for aesthetics.
2. **Technical Acumen:** A deep understanding of materials, processes, and technologies relevant to packaging.
3. **Project Management:** Skills to manage complex packaging projects from inception to completion.
4. **Adaptability:** The capacity to adapt to evolving industry trends and technologies.
